

# Sell your car easily with Suzi

Suzi Santiago

Don't want to spend 2 weeks or more from your trip trying to sell your car?

Our new service allows you to enjoy your vacation time to the fullest.

How it works:

- 1) Let us check your car.
- 2) Leave us a poder (power of attorney) to sell your car in your name
- 3) Clean the vehicle professionally.

Requirements:

Car needs to be checked by our mechanics

Vehicle is not older than year 2000 and doesn't have more than 200,000KM (depending on the model)

Car has chilean plates, paperwork to date and no fines.

We will give you a sale price estimation based on our inspection and other factors.

This service also depends on our availability and parking spots.

Even if your vehicle fits all of our requirements, we still reserve the right to pick which vehicles we'll accept and not.
